

CME-CPD Accreditation

Accreditation Statement and Credit Designation

European Accreditation Council for Continuing Medical Education (UEMS/EACCME)

The 55th Annual Meeting of the European Society for Paediatric Gastroenterology, Hepatology, and Nutrition is accredited by the European Accreditation Council for Continuing Medical Education (EACCME) to provide the following CME activity for medical specialists. The EACCME is an institution of the European Union of Medical Specialists (UEMS): www.uems.eu

The 55th Annual Meeting of the European Society for Paediatric Gastroenterology, Hepatology, and Nutrition is designated for a maximum of, or up to 21 European external CME credits. Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

American Medical Association (AMA)

Through an agreement between the European Union of Medical Specialists and the American Medical Association, physicians may convert EACCME credits to an equivalent number of *AMA PRA Category 1 Credits™*. **Information on the process to convert EACCME credit to AMA credit can be found at www.ama-assn.org**

Royal College of Physicians and Surgeons of Canada

Live educational activities, occurring outside of Canada, recognized by the UEMS-EACCME for ECMEC credits are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada. For more

information, visit: www.royalcollege.ca

Credit Breakdown

Day	Maximum Credits
17.05.2023	6
18.05.2023	5
19.05.2023	6
20.05.2023	4
Total Credits:	21

Educational Objectives

After attending this event, participants should be able to:

- Address individual needs in compliance with their Continuous Professional Development (CPD) plan.
- Describe the role of nutrition in preconception and pregnancy and its impact on neonatal outcomes.
- Identify and summarize the latest research on celiac disease and its clinical implications.
- Evaluate the latest advances in the diagnosis and treatment of paediatric hepatology.
- Analyze the challenges in preventing and treating childhood obesity and fatty liver disease.
- Describe the latest developments in the field of neurogastroenterology, motility, and functional gastrointestinal disorders.
- Explain the Polyposis Guideline Group's recommendations for clinical practice in gastroenterology.
- Analyze the role of nutrition in critically ill patients and its impact on clinical outcomes.
- Describe the prevention and treatment strategies for cow's milk protein allergy.
- Assess the importance of nurturing scientific research in paediatric gastroenterology, hepatology, and nutrition through the European Society for Paediatric

Gastroenterology, Hepatology and Nutrition (ESPGHAN).

Target Audience

The 55th Annual Meeting of ESPGHAN is a global meeting for pediatricians, gastroenterologists, endocrinologists, neonatologists, dietitians, nutritionists, nurses, and all those involved in child development and analysis of pediatric Gastroenterology, Hepatology, and Nutrition. Because of the diverse educational offering, participants are able to tailor the curriculum to meet the needs of international experts of all levels of experience. The target audience includes international, regional, and national physicians and nurses from the area of pediatric nutrition.

To Receive Your CME/CPD Certificate

Before the 20th of August:

Access the online system via the following [link](#).

- *Please note that web browsers Mozilla Firefox 2.X or higher, or Google Chrome are recommended*
- Complete the anonymous online evaluation
- Complete the credit claim form and submit
- The CME/CPD certificate will be available for download; retain for your personal records

Kindly note that the ESPGHAN 2023 online evaluation will be active on the last day of the meeting. You will then be able to access it and claim your CME/CPD certificate.

Disclosure and Resolution of Personal Conflicts of Interest

In accordance with CME/CPD accreditation criteria and standards for commercial support to ensure balance, independence, objectivity, and scientific rigor, those in control of the educational content must disclose potential or actual conflicts of interest. Disclosure information is evaluated and conflicts of interest are resolved. Disclosure

is made to participants prior to the activity. Participants will be asked on the evaluation to assess the objectivity and independence of the event.

- View disclosure information here: [ESPGHAN23 – Final COI report](#)

Industry Support Disclosure

This event is supported, in part, by funding from industry. All support is managed in strict accordance with CME/CPD accreditation criteria and standards for commercial support. Appropriate acknowledgment of all supporting organizations is made in the program guide, on the event website, and with signage during the event.
